

GOLD GRIP 3.0 - BA0915

Our most exclusive textile glove with PBI and newly developed material from CSM-Rubber. The glove protects against extreme temperatures thanks to the composition of PBI in the outer shell. The high grip palm there is a newly developed material made from CSM-coated aramid which has exceptional protection against flame and chemicals. The liner is made from Kevlar® and mineral fibres for highest cut resistance. Extra padding on the knuckles protects against radiant heat and the membrane protects from bacteria, chemicals and blood.

SIZE RANGE (EU) 6, 7, 8, 9, 10, 11

MATERIALS

Upper part: 24% PBI / 76% Kevlar®, silicone coated

Palm: CSM-coated Kevlar®

Fourchettes: 60% Nomex® / 40% Kevlar, silicone coated

Liner: Carbon fibers / Kevlar®

Thread: Nomex®

Membrane: Porelle®
